Hooked Rug Wall Display

Invitation to Participate

"I DREAM OF....."

Description:

The Rug Hooking Guild of Newfoundland and Labrador Inc. (RHGNL), with the support of McInnes Cooper, has been chosen to provide a Hooked Rug Wall Display for the Ronald McDonald House in St. John's.

Using our theme **"I Dream Of..."** we hope to create a beautiful and colourful reflection of the optimism in a child's mind while spending time away from home and family. Through our hand hooked renditions of children's images using rich texture and colour, we believe a feeling of warmth and humour will bring smiles to all those who cross paths with the Ronald McDonald House."

Please submit a drawing of your Dream which, if chosen, rug hookers will interpret into hooked rugs to be displayed at the House.
